

ANNUAL DONATION DRIVE

Every year, the promotion committee for CCRS holds a donation drive to collect money to put towards large projects that need to be completed at the school, or to put towards the mortgage. Last year, money donated was used for the new addition, and this year, as per advice given from the Board, all donations collected from the Annual Donation Drive will be directed as a lump sum payment towards the mortgage.

We ask you to prayerfully consider donating as the Annual Donation Drive draws near. The Promotion Committee and other volunteers will be coming around on **Monday, October 27, 2025**. For anyone wishing to drop off a donation before the actual date please contact any of the promotion committee members, or for an easy drop off point in the Vega area contact Brad VanDasselaar, Neerlandia area contact Jeremy Froma and in the Barrhead area contact Dave Wiersema. Please remember that donations are tax deductible and a tax receipt will be issued for donations over \$20.

Donation options:

- E-transfer – send email to this address only ccrsbookkeeper@outlook.com writing “**annual drive**” in the message box. Please make sure to include your first and last name as the sender (auto deposit enabled)
- Cash – please put in an envelope that has your name and ‘annual drive’ written on
- Cheque - please make payable to CCRS with ‘annual drive’ written on the memo line

If you **DO NOT** wish to donate, please contact one of the Promotion Committee Members listed below, **so we don't show up to your door that evening.**

Thank-you for your prayers and support,

Promotion Committee Members
